Some important information:

- Conferences will take place over Zoom. You will automatically receive a Zoom link after booking via the email you provide.
- On the day of conference, students should join the conference using their device and be logged into Xello. Students can log into Xello through Office 365 and click on the Xello icon.

This is a great opportunity for you to meet your students counselor and to ask questions about what your student can expect from attendance at Cedarcrest High School. Students will also understand what they will be required to do over the next four years to make sure they are progressing successfully toward graduation. Additionally, students will become familiar with Xello and the different features that Xello has to offer.
