Please find attached the link to a return to school questionnaire and a Learning Loops document. The Learning Loop Link is found in the opening page to the questionnaire. We hope this will provide you with all the information you need to make an informed decision on whether you would like to return to school in person or stay in the distance learning model. We highly encourage you to go through the Learning Loops before you answer the questionnaire.

The questionnaire will be available until midnight on March 17th.
